# About us

## FRANKIE

IS A 1970S CLASSIC CARAVAN  
TURNED MOBILE EVENT BAR

This vintage beauty has been lovingly restored and is ready to serve up something extra special at your next event. Frankie is the perfect host for any occasion, be it your wedding, birthday party, engagement or bachelorette celebration.

Book Frankie on her own or arrange for one of our custom packages, complete with professional bar staff. Frankie is a true Nomad, so whilst we're Wanaka based, we are happy to travel for your event.

# *Hire Options*

Frankie is a versatile girl and understands that each and every event is unique, so whilst we have a few options listed below we are more than happy to work with you to create something perfect for your special day.

We love to travel and no event is too big or small. You are welcome to book Frankie on her own, or we can create a custom package complete with professional bar service, ice, glassware and our signature styling items.

We can also provide advice on the type and quantity of alcohol to serve and put you in touch with some wonderful local vendors to ensure you're working with the best of the best.

# *Dry Hire*

We simply drop Frankie off to your venue, give you a full run-down of how everything works, and you take care of the rest. This is a great option if you're hosting a small private function or have a venue that prefers to work with their own team.

# *Custom Packages*

Send us the details of your event and we will create a hire package just for you. You simply provide the venue and the alcohol, and the rest is up to us. Our standard packages include:

- Professional bar staff – either one or two, depending upon the number of guests and the type of service required
- A 100L ice bin and plenty of ice
- Two 8.5L drink dispensers
- Two beer taps
- Glassware
- Our signature styling items
- Advice on the type and quantity of alcohol to serve
- Full set-up and pack-down

## **LOCATION**

Frankie is Wanaka based, however true to form, she loves to roam. Travel within 50km is included in any of our pricing, though we are always happy to go further afield so please contact us for details. We're not afraid of a little adventure, either, and we love working in remote and creative destinations; all we need is access to the property and a flat space to park and we're there!

## **ALCOHOL**

Frankie is a BYO mobile event bar, so you need to provide the alcohol for us to serve, but fear not, we're here to help. There is no shortage of beautiful wine to choose from in the Central Otago region and we are happy to point you in the direction of a few of our favourites. Wanaka also has an incredible craft beer scene and we have a great relationship with our local breweries.

## **BAR SERVICE**

Alex and Annie, the creatives behind Frankie the Nomad, have extensive experience in the hospitality industry so you can expect top-notch service. We will work with you as we create your custom package to ensure the level of service is spot on – we can serve craft beer, big-batch cocktails, late-night whiskies... anything!

## **POWER**

Frankie is self-sufficient so there is no need to provide additional power at your event. We do however suggest hiring a chiller trailer for larger functions and these often require access to mains power and/or a generator.

# *The Details*

## **REFRIGERATION**

Frankie has two large sinks as well as a 100L cooler with ample ice. As above, it might be necessary to hire a chiller trailer to provide additional cold storage for large events. Our local liquor stores often provide complimentary trailer hire for large orders, or we can put you in touch with local hire companies and can arrange the pick-up and drop-off of the trailer if need-be.

## **GLASSWARE**

We have a beautiful assortment of glasses included in all of our custom packages, however if you're after something a little more specific we are happy to arrange hire for you from one of our local vendors

## **TEA & COFFEE**

Not only are the staff clever with a cocktail shaker, but they whip up a pretty mean coffee too. Chat to us if you'd like tea and coffee at your event and we'll make it happen.

## CARAVAN STYLING

Frankie comes complete with ice-buckets, hand-printed menus, festoon lighting and more, all of which are available to you free of charge. You are more than welcome to add your own creative flair too, or we can point you in the direction of one of our local hire and style companies.

## FRANKIE IS THE PERFECT HOST FOR ANY OCCASION

She'll bring her classic charm and good vibes to any event, large or small.

We're perfect for weddings, bridal showers, hens' parties, birthday bash's, morning-after-BBQ's (think Bloody Mary's and iced coffee), high-teas, business or product launches, or just-for-the-fun-of-it drinks.

A white van is parked outdoors, with a string of small, round, white lights hanging from the roof. The van has a silver wheel and a black tire. The background is a clear blue sky. The text is overlaid on a semi-transparent grey rectangle on the left side of the image.
